Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

Jacob's Ladder

Jacob's Ladder

This is a story about Jacob Pratt who "stood bond" for his brother and then lost all his money and was unable to pay his debts. Two years later his brother is finally able to restore him to an enviable financial position. Jacob rewards those who stood beside him during his time of trials and attempts to get even with those who had cast him aside. He finds that revenge is not always sweet. Even though Jacob has plenty of money, he is unable to win the girl of his dreams. (Summary by Richard Kilmer)
